Mr. K. M. Ibrahim:—May I know, Sir, when this subject i. e., the publication of text books departmentally, engaged the attention of the Government for the first time?

Mr. I. N. Menon—I don't exactly remember the date. Some years ago, the question of publishing the text books departmentally was taken up by the Government and afterwards it appears to have been dropped. Then the question was raised again in the Council. Proposals were drawn up and submitted to the Government for the Diwan's consideration and my information is, that orders will be issued on those reports.
